

PARKING MANAGEMENT

Time Limited Parking

Including on and off-street parking, all public parking within the North End Permit Parking District, Downtown, and the South End Permit Parking District, is restricted to a certain length of time. Specific time limits are described for each district under Permit Parking Programs - [North End Permit Parking District](#), [Business Permit Parking District](#), and [South End Permit Parking District](#) respectively.

Permit Parking Programs

Common to Following Permit Parking Programs:

- I. Permit parking programs do not alter other parking restrictions, such as:
 - a. Disabled Placard / displays are exempt
 - b. Seasonal parking limitations still apply
 - c. Parking in the Front Yard
 - d. Prohibition of Re-parking in Time Limited Parking Zones
 - e. Limitations on Types of Vehicles Parked in Residential Zones
- II. Program Administration:
 - a. City of Flagstaff – Standard
(City Manager, or assignee, under direction of City Council)
 - b. City to develop such accompanying operational policies as needed
(Administrative Rules, Standards of Proof, Temporary, Replacements, etc)
